

TILLMAN®

1403 WINTER GLOVES

The Tillman 1403 winter driver's gloves will provide the warmth and protection you need for working around the job site, keeping your hands dry, warm and comfortable.

FEATURES

- Made from Tillman's supple top grain Goatskin that offers durable protection for the hand.
- Tillman's top grain Goatskin outwears other leathers of the same weight and offers outstanding tactile sensitivity in cold weather.
- Insulated with 100 grams of Thinsulate lining aids in keeping hands warm in the coldest of days.
- WaterShield™ coating to resist water and liquid from penetrating the leather keeping hands dry.
- A Shirred elastic wrist provides a secure fit and aids in keeping debris and snow out of the glove.
- A flexible keystone thumb allows greater movement for enhanced dexterity.
- Rolled leather cuffs for added durability.
- Offered in sizes M, L, XL and 2XL.

APPLICATIONS

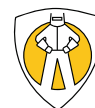

- General construction work
