

TILLMAN®

1499 | TrueFit™ Ultra with Integrated Anti-Vibration Pads and Padded Palm and Finger Tips

SPECIFICATION SHEET

Description

Looking for gloves that fit and provide the right protection? The Tillman 1499 are the gloves you need.

TrueFit 1499 gloves are made for working. Designed for anyone who needs protection while handling power tools, materials and even light welding. The 1499 offers thermoplastic rubber pads and double reinforced fingertips to provide maximum protection while remaining comfortable.

Features

- Top grain Goatskin back with DuPont™ Kevlar® stretch inserts that flex with the contours of the hand, enhancing comfort and fit
- The finest top grain Goatskin for excellent dexterity, comfort and durability
- Thermoplastic rubber (TPR) pads on knuckles, fingers, and back of hand offer added impact protection
- Abrasion resistant top grain Goatskin
- Padded top grain Goatskin double palm extends to base of fingers for added protection
- Super "V" thumb design enhances fit with less bunching
- Entirely Dupont™ Kevlar® sewn for strength and heat resistance
- Elastic cuff with hook and loop closure provides secure fit with less bulk
