

TILLMAN®

25B | Premium Split Deerskin TIG Welding Glove

SPECIFICATION SHEET

Description

The 25B welding glove is made with a split Deerskin that is completed unlined to minimize the bulkiness of the glove and not impede mobility.

The lightweight Deerskin delivers the touch and dexterity required to laydown perfect welds.

The straight thumb gives you optimal gripping power and friction resistance when working and holding a TIG torch.

Features

- Premium split Deerskin enhances feel and durability.
- Unlined to maximize feel and dexterity.
- 4" cuff for added protection.
- Straight thumb for a great grip on the torch.
- Includes Lock stitching with DuPont™ Kevlar® thread for added strength.
- Sizes: S, M, L, XL
