

TILLMAN®

34 Premium Top Grain Cowhide MIG Welding Glove with a Foam Lined Back

SPECIFICATION SHEET

Description

The Tillman 34 TIG Glove gloves are extremely popular for TIG welding, fabrication and handling of work pieces.

The heavy duty pearl top grain cowhide offer protection from heat and also provides incredible touch and dexterity. The reinforced wing thumb shape provides a great feel and grip on the TIG torch and is ideal for those with comfort in mind.

The 34 offers a foam lined back for added heat protection. The 34 is also naturally insulated by its heavy duty Cowhide

Features
