

TILLMAN®

650 Premium Top grain Cowhide Stick Welding Glove

SPECIFICATION SHEET

Description

The Tillman 650 top grain Cowhide welding Glove is one of our most popular gloves for pipeline stick welding applications. The 650 is an extremely durable stick glove able to withstand the demands from pipeline to manufacturing welding applications.

Made of durable top grain Cowhide, the 650 maintains the soft feeling in hot environments while protecting hands. The welted fingers contain an extra leather layer between fingers for added spark resistance and durability.

A reinforced thumb gives you the great gripping power needed for heavy-duty welding. A foam lined back provides additional protection from heat and flame protection while providing the dexterity needed.

Features

- Pearl premium durable Cowhide.
- Length of the glove increases with size.
- Durable Welted fingers protect stitching.
- Reinforced thumb for added strength.
- Cotton/foam lined back for added heat protection, unlined palm for enhanced dexterity.
- Sewn with DuPont™ Kevlar® for added strength
- Sizes: M, L, XL

Technical Specifications

Glove Material: Top grain Cowhide
Cuff Material: Split Cowhide
Lining: Foam & Cotton
Stitching: DuPont™ Kevlar®
Closure: Straight cuff

Applications

- Construction sites
- Wind energy
- Utility crews
- Fabrication
- Steel Mills
- Oil & Gas
- Pipelines
- Oil pipelines
- Demolition & salvage
- Shipyards
- Manufacturing
