# 1340 Oil X™ Drivers Gloves

Oil Resistant for tough, grimy jobs

Keep the wet, oil and grime out with Tillman's 1340 Oil X™ MIG glove with ANSI A7 Cut Resistance.

## FEATURES

- ANSI A7 Cut protection is achieved with a para-aramid lining for unbeatable cut resistance, dexterity and comfort.
- OilX™ liquid-resistant treatment is added in the tanning process for deep protection from water and oil keeping hands dry.
- A Para-aramid lining and DuPont™ Kevlar® threading offer protection in high heat environments.
- Tillman's supple top grain Goatskin provides that broken-in feeling with great dexterity to get work done.
- Top grain Goatskin outwears other leathers of the same weight and offers outstanding tactile sensitivity in grimy conditions.
- OilX™ will not wash off and will last the life of the glove.
- MIG glove that can be used for Stick welding as well.
- A flexible straight thumb allows greater movement for a great grip on the gun or torch.
- Offered in sizes S, M, L, XL and 2X.

## PERFORMANCE DATA:

ANSI 105 (2016)  
Cut Resistance - A7

Cut Resistance - 4

Cut Resistance - 4

## APPLICATIONS

- |                           |                  |                                     |
|---------------------------|------------------|-------------------------------------|
| • Oil & Gas               | • Maintenance    | • Equipment Operators               |
