**Oil X™ Drivers - Cut Level A6**

Oil Resistant for tough, grimy jobs

Keep the wet, oil and grime out with Tillman's 1445 Oil X™ Drivers glove with ANSI A6 Cut Resistance.

### FEATURES

- ANSI A6 Cut protection is achieved with a Para-aramid lining for unbeatable dexterity and comfort
- OilX™ liquid-resistant treatment is added in the tanning process for deep protection from water and oil keeping hands dry.
- Oil and water bead and roll off the top grain leather.
- Tillman's supple top grain Goatskin provides that broken-in feeling with great dexterity to get work done.
- Top grain Goatskin outwears other leathers of the same weight and offers outstanding tactile sensitivity in grimy conditions.
- A para-aramid lining and DuPont™ Kevlar® threading offer protection in high heat environments.
- Broken in feeling right out of the box.
- Offered in sizes S, M, L, XL and 2X.

### PERFORMANCE DATA:

ANSI 105 (2016)  
Cut Resistance - A6

Cut Resistance - 4

Cut Resistance - 4

### APPLICATIONS

- |                           |                       |                                     |
|---------------------------|-----------------------|-------------------------------------|
| • Oil & Gas               | • Maintenance         | • General use with public utilities |
| • Pipeline Construction   | • Demolition          | • Municipal Services                |
| • Refining                | • Mining              | • Farm & Ranch                      |
| • Tool Pushing            | • Rigging             | • Utility Work                      |
| • Steel Mills             | • Extraction          | • Heavy Construction                |
| • Industrial Construction | • Fracking            |                                     |
| • Industry                | • Metal Stamping      |                                     |
