## 1446 Oil X™ Drivers - ANSI A6 Cut Resistance, Impact Protection

Keep the wet, oil and grime out with Tillman's 1445 Oil X™ Drivers glove with ANSI A6 Cut Resistance.

### FEATURES

- ANSI A6 Cut protection is achieved with a para-aramid lining for unbeatable dexterity and comfort.
- Tillman's impact design provides excellent protection for the back of hand, fingers, knuckles and thumb against impact and to prevent scrapes and injury.
- Oil X™ and liquid-resistant treatment is added in the tanning process for deep protection from water and oil keeping hands dry.
- A para-aramid lining and Dupont™ Kevlar® threading offer protection in high heat environments.
- Tillman's supple top grain Goatskin providing that broken-in feeling with great dexterity to get work done.
- Top grain Goatskin outwears other leathers of the same weight and offers outstanding tactile sensitivity in grimy conditions.
- A flexible keystone thumb allows greater movement for enhanced dexterity.
- Offered in sizes M, L, XL and 2X.

### PERFORMANCE DATA:

ANSI 105 (2016)  
Cut Resistance - A6

Cut Resistance - 4

Cut Resistance - 4

### APPLICATIONS

- |                           |                                     |                      |
|---------------------------|-------------------------------------|----------------------|
| • Oil & Gas               | • Demolition                        | • Municipal Services |
| • Pipeline Construction   | • Mining                            | • Farm & Ranch       |
