

The 55 MIG gloves offer durable top grain Cowhide with split palm reinforcements, for added protection and reinforcement.

FEATURES

- Long lasting top grain Cowhide on the back, palm and fingers.
- Durable split Cowhide on the palm and inner thumb for added protection and reinforcement.
- Elastic cinch wrist provides a comfortable fit allowing movement of the wrist when welding.
- Fleece lined for added protection in hot or cold conditions without the bulk.
- Seamless forefinger offers a great feel and easy maneuvering of a MIG torch.
- Winged thumb provides a natural feel.
- 4" split Cowhide cuff for added protection of the wrists and forearms.
- Sewn with Kevlar® thread to protect seams.
- Sizes Available: M, L, XL.

APPLICATIONS

MIG welding, Lite Stick welding, Grinding, Plasma cutting, Torch work, Steel mills, Shipyards, Heavy manufacturing.
