

34

Premium Top Grain Cowhide
MIG Welding glove with a
Foam Lined Back

Specification Sheet

Description

The Tillman 34 MIG gloves are extremely popular for MIG welding, fabrication and handling.

The heavy duty pearl Top Grain cowhide offers protection from heat while providing incredible touch and dexterity. The reinforced straight thumb provides a great feel and grip on the MIG gun and is ideal for those with comfort in mind.

The 34 has a foam-lined back for added heat protection. The 34 is also naturally insulated by its heavy duty Cowhide.

Features

- Premium Top Grain Cowhide
- Foam lining on the back of the hand
- Reinforced straight thumb for a great feel and gun grip
- 4" cuff for added protection
- Sewn with DuPont™ Kevlar® for added strength
- Sizes: M, L, XL
