

**TILLMAN®**

# 1105W

## Select Side Split Cowhide Stick Welding Glove

### Features:

- Specially sized X-Small for women or workers with smaller hands.
- Premium Select Side Split Cowhide for superior softness, durability, and heat resistance.
- 12" length for extra forearm coverage.
- Fully welted fingers protect stitching and add spark resistance.
- Cotton/foam lined back for added heat protection; unlined palm for dexterity.
- Sewn throughout with DuPont™ Kevlar® for maximum seam strength.
- Straight cuff for easy on/off and secure fit.

### Applications:

- Stick Welding
- Steel Mills
- Shipyards
- Fabrication
- Utility Crews
- Oil & Gas
- Demolition & Salvage
- Wind Energy
