FREEDOMFLEX FR

Certified FR Shirts. Certified Comfortable.

THE BRAND PROS DEMAND

A different kind of FR shirt

**These are not FR shirts workers tolerate.
They are FR shirts workers reach for.**

Tillman has spent nearly a century building protective products for the people who do the hardest work. FreedomFlex FR Shirts are what happens when that experience meets a new standard of comfort.

- Certified to NFPA 2112-2023, rated to NFPA 70E CAT 2
- ATPV 8.3 cal/cm² arc rating, UL Listed
- Knit fabric that stretches with you in four directions
- Stays fresh through the shift with permanent FUZE anti-odor technology
- Looks just as right after the job as it did going in

**TWO STYLES. THREE COLORS.
ONE COMMITMENT: Protection that never
asks you to compromise.**

**PyroSafe Fabric
by Antex®**
